The Pantone Spring 2015 Fashion Color Report serves as an overview of designers' color choices in new clothing collections. The colors are important for jewelers to know so they can help customers successfully color-block accessories. Here are five ways to color-block with Pantone's Aquamarine.

Aquamarine
PANTONE 14-4313

PANTONE

14-4313 Aquamarine

It's an airy blue with a dreamy feel that's cool, calming, and ethereal, according to Pantone.

1. Give a printed outfit with aquamarine a same-colored jewel to make the pale blue pop.
