## First Judging Stage

18 Entries Selection from Each Participating Group  
(Open Group I / Open Group II / Computer Aided Design)

The first stage judging of “JMA International Jewelry Design Competition 2017” was held successfully on 20th June, 2017 at HKJMA’s Hong Kong Office. This year, we have received more than 286 pieces of entries in all. Contestants from 12 countries and regions including Hong Kong, Mainland China, Taiwan, Japan, Korea, Singapore, India, Spain, Canada, Israel, Dubai and Saudi Arabia have participated in the competition.

In 2017, the Hong Kong Jewelry Manufacturer’s Association is entering its 29th anniversary. It makes the theme “TRESOR” more meaningful on the occasion of the approaching 30th anniversary. A magnificent jewelry can always be a kind of art treasures. Let us cherish what we now have: our time, our life, our nature, our love, our honor, and even a fleeting smile. They are a gift worth treasuring.

To make the Competition widely recognized, the judging panel was formed by representatives of jewelry associations in Hong Kong. 18 entries from each Participating Group (Open Group I / Open Group II / Computer Aided Design) have been selected entering the final stage. They are based on several criteria embracing its expression, creativity and sales potential etc.
