Created in limited quantities, the six-piece capsule presents a unique opportunity to wear Karl Lagerfeld’s most exclusive, original jewellery designs.

KARL LAGERFELD has just announced yesterday the highly anticipated launch of a limited edition jewellery collection of six exclusive designs. Inspired by his love of Art Deco art and architecture, Karl Lagerfeld created the styles with an elegant aesthetic reminiscent of 1920s glamour. Only 25 pieces of each design have been produced, and a certificate of authentication will accompany each.

The collection includes a collar necklace, a dramatic cuff, elegant chandelier earrings, two oversized rings and a striking brooch. Crafted with meticulous detail, the jewellery is intricately embellished with Swarovski® crystals in geometric patterns and distinctive letter “Ks” set within the designs. Each exclusive piece is numbered on its interior and engraved with Karl Lagerfeld’s signature. Prices will range from €129 to €799.

Lagerfeld said in an interview that his favorite piece in the collection with Swarovski was the bracelet.

The curated collection will be available for a limited time beginning November 14, 2017, at KARL LAGERFELD stores in London, Paris, Vienna, Dubai and Düsseldorf, and online at KARL.com (pre-order from the 14th and official launch on the 20th).
