I'm hastily gearing up to jet to Las Vegas, along with many of you (are you packed? How many pairs of shoes are you bringing?), all the while making a mental checklist of everyone and everything I need to see while I'm there. My annual residency at the Mandalay Bay Resort and Casino isn't nearly long enough to take in everything I'd like to, so it's important to make lists. On one of those lists: these jewels, ones considered immediate favorites that look so good in photos, I can only imagine how great they are in person. I can't wait to see them, witness them sparkle, try them on, post to Instagram, repeat. Make sure to pick out your favorites, too, and I'll meet you on the show floor!
